Notes on organic rankings:

As is evident, we have seen some good improvement in this regard for all of your phrases. 3 of them are now on the first page.

We will continue to work on all of these phrases to get them all, over time, onto the first page of Google matches (positions 1-10) and as high up on the first page as possible.

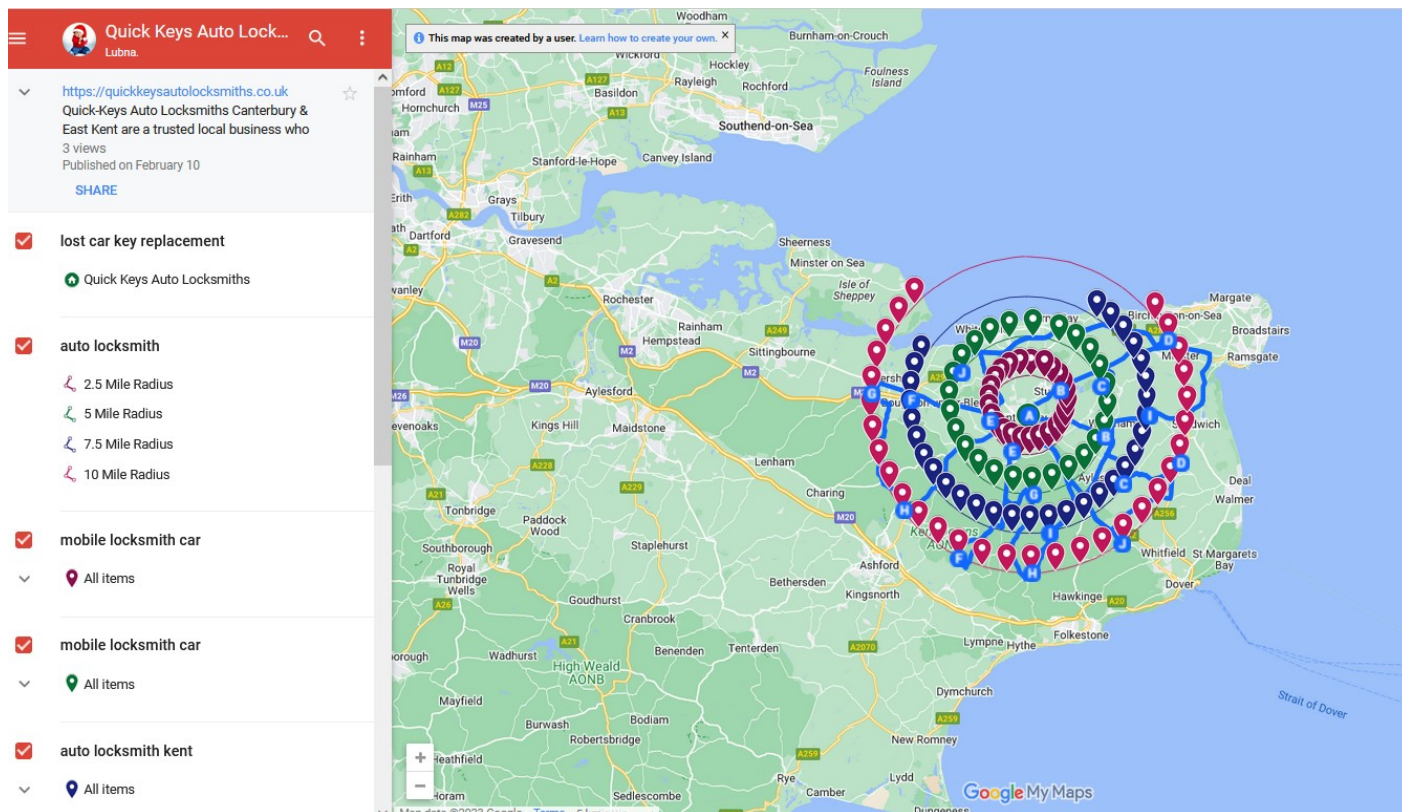

Focus for next 3 months:

- Backlink Building continuation to increase domain authority to assist with higher rankings
- Additional Citation & Map Stacking for Google Business Profile to increase geolocal area of top rankings.
- Create additional content for keyword landing pages to improve and boost rankings

Work undertaken since starting your strategy:

1) Google Map Stacking

You can view the live map and links of the above screenshot by clicking the link below:
